## Project Title: James Corden Website

I'll build this as a multi-page site with navigation across the top. James Corden is a British entertainer who built his career across theatre, television, and film. The site will explore his different career stages, from UK theatre to American late-night TV. Each phase provides material for its own page.

- **Home Page** – Introduction to James Corden and overview of his career across multiple entertainment mediums.
- **Theatre & Early Career** – His beginnings in British entertainment:
  - The History Boys stage production and film
  - One Man, Two Guvnors starring role at National Theatre, transferring to Broadway
  - Tony Award for Best Actor in a Play
  - Fat Friends television series
- **Gavin & Stacey** – The sitcom that launched his fame:
  - Co-creator and star
  - BAFTA wins and critical acclaim
  - 2019 and 2024 reunion specials
- **The Late Late Show** – American television career:
  - CBS late-night host from 2015 to 2023
  - Carpool Karaoke viral phenomenon
  - Multiple Emmy Awards
- **Film Work** – Big screen appearances:
  - Musical films
  - Voice acting
- **Sources** – Wikipedia article, photography sources, and credits.
